

**Along with our standard sanitation practices, we are implementing the following steps to offer clients the highest level of protection during their appointments.**

- Staff temperature taken daily**
- Mask worn with each client**
- Wiping down all surfaces with high level disinfectant before and after each client**
- Professional grade fume extractor used to purify our breathing zone during services**

**We are COVID-19 Certified. This means that we are up to date on the most current sterilization and sanitation practices.**

# Lash Appointment Policies and Procedures

**WASH HANDS** - Please wash or sanitize your hands upon entering the studio. Sanitizer will be provided at the front desk.

**PLEASE WAIT IN YOUR CAR** - In order to minimize contact between clients, the waiting area will be closed and the front door will remain locked. Please wait in your car when you arrive for your appointment. **TEXT 919-805-0149 upon arrival and I will respond with a text to notify you when the studio is ready for your appointment.**

**NO GUESTS** - No guests or children will be allowed to join us in the studio. Our goal is to limit the amount of people inside the building at all times. If you arrive with a guest or child, you will be asked to reschedule your appointment.

**MASK REQUIRED** - Clients will be required to wear a mask during services. Due to the low supply of personal protective equipment, at this time I will not be able to provide masks. So please have a mask or sufficient face covering - homemade mask, scarf or bandana.

**MINIMAL TALKING** - One way that viruses spread is through droplets from coughing, sneezing and talking. So for the meantime, I will minimize conversation during appointments. I encourage you to bring headphones or I can pull up a meditation or podcast for you to listen to during your appointment.

**BLANKET** - If you tend to get chilly, please bring a blanket or jacket with you to stay warm. Blankets will no longer be provided.

**SICK POLICY** - Do not come to your appointment if you are showing signs of an illness or if you have been in contact with someone who has been ill within 14 days of your appointment. Due to the similarity of symptoms between allergies and viruses, please be aware that there is no way for me to distinguish between the two. Therefore, if you are displaying any signs of sickness, you will be asked to reschedule your appointment.

Please understand that these policies are in place for the protection of all staff and clients within the studio. Many of these rules are now required by the state in order for businesses within the beauty industry to be open. Please show patience as we all get used to this new way of operating.

**You may view all studio policies at [www.theblinklashstudio.com](http://www.theblinklashstudio.com)**

**Thank you so much reading and respecting Blink Lash Studio's policies!**
